## To Our Sponsors

The **Colonial Players** produce 2 award winning shows each year and approximately 4,500 community members attend our performances. We spend over \$45,000 and hundreds of hours to put these shows together. It is only through the generous contributions of businesses and individuals that we may continue to produce these high quality shows. Your gift makes you part of this successful and rewarding program. Thank You!

## About Us

The Colonial Players is an organization based in Plymouth Whitmarsh High School dedicated to the preservation and enhancement of live theater performance in our local community. We rely primarily on ticket sales and fundraising for our financial support. All proceeds benefit future productions and educational opportunities.

Founded in 1977 and based in a steep tradition, the Players strive to produce professional quality shows for its audiences. This level of performance is attained only through the hard work and dedication of our staff and students.

## Our Mission

The mission of the Colonial Players is to educate its members and patrons in our community in theater. Students in our program learn many facets of theater craft including performance, design, production and technical skills. Patrons of our program are able to see high-quality productions of a variety of Broadway-style shows. Together, we all learn and grow through theater as a community.
